

Customer Support Knowledge Base

Account & Authentication

Q: How do I reset my password?

A: Go to Settings → Account Security → Reset Password. You will receive a password reset email.

Q: I did not receive the password reset email. What should I do?

A: Check your spam folder. If it is not there, wait 5 minutes and try again.

Billing & Subscription

Q: How can I upgrade my subscription?

A: Navigate to the Billing section in your dashboard and choose a new plan.

Q: Do you offer refunds?

A: Yes. Refunds are available within 14 days of purchase for annual plans.

Technical Issues

Q: The application is slow. What should I do?

A: Try refreshing the page or clearing your browser cache. If the issue persists, contact support.

Contact Support

Q: How do I contact customer support?

A: You can contact support via the Help Center or email support@example.com.
